²The Cash Advance APR is equal to the Prime Rate plus a margin of 21.74%.

If required by law, we will give you advanced written notice of the change(s) and a right to reject the change(s). We will not charge any fee or interest charge prohibited by law.

**USING YOUR ACCOUNT**

**Permitted Uses**

You may use your Account for Purchases, Balance Transfers and Cash Advances. You may not use it for illegal transactions.

**Authorized Users**

**Joint Accounts**

**Check**

If we provide you with Checks, we will tell you whether we will treat the Check as a Purchase, Balance Transfer or Cash Advance. You may not use these Checks to pay any amount you owe us.

**Credit Authorizations**

We may not authorize a transaction for security or other reasons. We will not be liable to you if we decline to authorize a transaction or if anyone refuses your Card, Check or Account number.

**Credit Lines**

We will tell you what your Account credit line is. You must keep your Account balance below your Account credit line. If you do not, we may request immediate payment of the amount by which you exceed it. We may establish a lower credit line for Cash Advances. We may increase or decrease your Account credit line or your Cash Advance credit line without notice. We may delay increasing your available credit by the amount of any payment that we receive for up to 10 business days.

**FEES (See your Pricing Schedule for Additional Fees)**

**Late Fee**

We will not charge a Late Fee the first time you do not make the Minimum Payment Due by the Payment Due Date. After that, if you do not pay the Minimum Payment Due by the Payment Due Date, we will charge you a Late Fee. The fee is $30. If you were not charged a Late Fee during any of the prior six billing periods. Otherwise, the fee is $41. This fee will never exceed the Minimum Payment Due that was due immediately prior to the date on which the fee was assessed.

**Returned Payment Fee**

If you make a payment that is not honored by your financial institution, we will charge you a Returned Payment Fee even if the payment is honored after we re-submit it. The fee is $30 if you were not charged a Returned Payment Fee during any of the prior six billing periods. Otherwise, the fee is $41. This fee will never exceed the Minimum Payment Due that was due immediately prior to the date on which the payment was returned to us.

**ANNUAL PERCENTAGE RATES (“APRs”) (See your Pricing Schedule for the APRs that apply to your Account)**

**Variable APRs**

Your Pricing Schedule may include variable APRs. These APRs are determined by adding the number of percentage points that we specify to the Prime Rate. Variable APRs will increase or decrease when the Prime Rate changes. The APR change will take effect on the first day of the billing period that begins during the same calendar month that the Prime Rate changes. An increase in the APR will increase your interest charges and may increase your Minimum Payment Due. Your variable APRs will never be less than zero or higher than 29.99%.

**Penalty APR**

None

MAKING PAYMENTS

How We Apply Payments
We apply payments and credits at our discretion, including in a manner most favorable or convenient for us. In all cases, we will apply payments and credits as required by applicable law.

INTEREST CHARGES

How We Calculate Interest Charges–Daily Balance Method (including current transactions)
We calculate interest charges each billing period by first figuring the "daily balance" for each Transaction Category. Transaction Categories include standard Purchases, standard Cash Advances and different promotional balances, such as Balance Transfers.

How We Figure the Daily Balance for Each Transaction Category
- We start with the beginning balance for each day. The beginning balance for the first day of the billing period is your balance on the last day of your previous billing period.
- We add any interest charges accrued on the previous day's daily balance and any new transactions and fees. We add any new transactions or fees as of the later of the Transaction Date or the first day of the billing period in which the transaction or fee posted to your Account.
- We subtract any new credits and payments.
- We make other adjustments (including those adjustments required in the "Paying Interest" section).

How We Figure Your Total Interest Charges
- We multiply the daily balance of each Transaction Category by its daily periodic rate, multiplied by the number of days in your billing period.
- We add up all the daily interest charges. The sum is the total interest charge for the billing period.
- Due to rounding or a minimum interest charge, the interest calculation may vary from the interest charge actually assessed.

How We Include Fees
We add Balance Transfer Fees to the applicable Balance Transfer Transaction Category. We add Cash Advance Fees to the applicable Cash Advance Transaction Category. We add all other fees to the standard Purchase Transaction Category.

Paying Interest
When Interest Charges Begin
We begin to impose interest charges on a transaction, fee or interest charge from the day we add it to the daily balance. We continue to impose interest charges until you pay the total amount you owe us. You cannot avoid paying interest on Balance Transfers or Cash Advances.

How to Avoid Paying Interest on Purchases ("Grace Period")
If you pay the New Balance on your current billing statement by the Payment Due Date shown on that billing statement, we will not impose interest charges on New Purchases. New Purchases are Purchases that first appear on the next billing statement. Interest will continue to accrue each day on Purchases that appeared on previous billing statements until you pay the New Balance in full and will be billed in the next billing cycle.

How We Apply Payments May Impact Your Grace Period
If you do not pay your New Balance in full each month, then, depending on the balance to which we apply your payment, you may not get a grace period on new Purchases.

ARBITRATION
Agreement to Arbitrate. In the event of a dispute between you and us arising out of or relating to this Account or the relationships resulting from this Account or any other dispute between you or us, including, for example, a dispute based on a federal or state statute or local ordinance (“Claim”), either you or we may choose to resolve the Claim by binding arbitration, as described below, instead of in court. Any Claim (except for a Claim challenging the validity or enforceability of this arbitration agreement, including the Class Action Waiver) may be resolved by binding arbitration if either party requests it. THIS MEANS IF EITHER YOU OR WE CHOOSE ARBITRATION, NEITHER PARTY WILL HAVE THE RIGHT TO LITIGATE SUCH CLAIM IN COURT OR TO HAVE A JURY TRIAL. ALSO DISCOVERY AND APPEAL RIGHTS ARE LIMITED IN ARBITRATION.

CLASS ACTION WAIVER. ARBITRATION MUST BE ON AN INDIVIDUAL BASIS. THIS MEANS NEITHER YOU NOR WE MAY JOIN OR CONSOLIDATE CLAIMS IN ARBITRATION BY OR AGAINST OTHER CARDMEMBERS, OR LITIGATE IN COURT OR ARBITRATE ANY CLAIMS AS A REPRESENTATIVE OR MEMBER OF A CLASS OR IN A PRIVATE ATTORNEY GENERAL CAPACITY.

The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party’s individual Claim. The arbitrator may not award class, representative, or public injunctive relief. If a court decides that applicable law precludes enforcement of any of this paragraph’s limitations as to a particular Claim for relief, then after all appeals from that decision have been exhausted, that Claim (and only that Claim) must be severed from the arbitration and may be brought in court. Only a court, and not an arbitrator, shall determine the validity, scope, and effect of the Class Action Waiver.

You and Your Right To Go To Small Claims Court. You and we will not choose to arbitrate any individual Claim you or we bring in small claims court (or an equivalent court). This means you or we may bring an action in small claims court (or an equivalent court) without being subject to arbitration. However, if a Claim is transferred, removed, or appealed from small claims court to a different court, or if any Claim brought in small claims court exceeds the small claims court limit, you or we may then choose to arbitrate.

GOVERNING LAW AND RULES. This arbitration agreement is governed by the Federal Arbitration Act (“FAA”). Arbitration must proceed only with the American Arbitration Association (“AAA”). The rules for the arbitration will be those in this arbitration agreement and the procedures of the AAA, but the rules in this arbitration agreement will be followed if there is disagreement between the agreement and the AAA’s procedures. If the AAA’s procedures change after the Claim is filed, the procedures in effect when the Claim was filed will apply.
